You can sign in using your account with:

- Digital ID such as myID
- Facebook
- Google

Already have a My Account log-in?

Sign in using your email address and password.

Do not have an account?

Use the 'Create an account' link to create an account.

The requirements for a password/passphrase in My Account are:

- must be at least 14 characters long (we suggest an easy to remember phrase of 14 or more characters which has meaning to you);
- is case sensitive;
- must not contain any part of your email address;
- must not be a passphrase which has been identified as being insecure (from a list used by many cyber security systems);
- can contain spaces; and
- does not need to have one upper case, one number and one special character.

Sign in with your digital identity

Users can also access the STRA register by signing in using their digital identity with one of the following options:

- Facebook
- Google
- Digital ID (such as myID)

Note: You will be required to log in using your digital identity email address and password.

We recommend you use the same sign in method each time you log in to avoid creating multiple accounts.

If you'd like to see what the new sign-in process looks like, please see the video on [How to sign-in to My Account](#)

Are you an individual user or a business user?
