**Subject:** Interstate non-wage costs

Dear Secretary

As indicated in our submission of 19 November 2014, attached is our calculation of Western Australia's 'needs' in relation to office rent, electricity, interstate freight and interstate travel.

The estimates show needs of:

Office rent - \$84m  
Electricity - \$33m  
Freight - \$43m  
Travel - \$ 9m

Total - \$168m

Regards,  
Michael
