Please note that the Shire of Narrogin population as per the ABS 2016 is 5162 not ..as recorded in your draft document, which I believe incorrectly references the former Town of Narrogin (alone) population and not the merged entity of the Town and surrounding Shire of Narrogin. The entities merged on 1 July 2016.

I also note that the regional catchment of the Narrogin district is over 11,000 if you take into account a 50km radius from the Narrogin Townsite.

The Shire of Narrogin White Rd Landfill and Recycling Centre currently accepts waste from the Shire of Narrogin and the Shire of Cuballing and is soon to formally consider a request to accept waste in coming years from the Shires of Wickpin, Williams and Wagin, who are all looking Narrogin's Waste Facility given its central location and long remaining life compared to their existing facilities.
