LEGAL COSTS COMMITTEE ANNUAL REPORT

In accordance with the *Financial Management Act 2006*, I submit to the Honourable Christian Porter BA (Hons) BEC LLB (UWA) MSC (Dist) LSE, MLA, Attorney General for the State of Western Australia, for information and presentation to Parliament, the Annual Report of the Legal Costs Committee of Western Australia for the period 1 July 2010 to 30 June 2011.

Ted Sharp CHAIR

Ted May

LEGAL COSTS COMMITTEE

The Legal Costs Committee was first established following the proclamation of the *Acts Amendment (Legal Practitioners, Costs and Taxation) Act 1987* on 12 February 1988 (Initial Act). Subsequently, the Committee's jurisdiction was reaffirmed by the *Legal Practice Act 2003* and more recently, by Division 9 of Part 10 of the *Legal Profession Act 2008* (Act). The Committee is responsible under the Act for making determinations for the remuneration of legal practitioners in respect of the matters specified under Division 5 of Part 10 of the Act (as well as other legislation) in the following jurisdictions:

- Non-contentious business carried out by practitioners;
- Supreme Court;
- District Court;
- Magistrates Court;
- Official Prosecutions (Accused's Costs);
- ♦ Public Notaries;
- Family Court of Western Australia; and
- State Administrative Tribunal.

Prior to the establishment of the Legal Costs Committee those fees (except for a scale for the Court of Petty Sessions (until the Magistrates Court was implemented) and Public Notaries) were set by the Judges of the Courts or by the Under Secretary for Law as the case required.

Since the proclamation of the Initial Act, the jurisdiction of the Committee has altered in that by virtue of the *Magistrates Court Act 2004* and the *Magistrates Court (Civil Proceedings) Act 2004*, the Local Court and Court of Petty Sessions ceased to exist and were replaced by the Magistrates Court exercising both civil and criminal jurisdiction.

As well, by virtue of the Act, the Family Court of Western Australia and the State Administrative Tribunal were included as additional jurisdictions requiring the Committee's attention.

During the period 1 July 2010 to 30 June 2011 the Committee consisted of:

Mr TH Sharp, Consultant, Freehills Lawyers, as Chair;

Ms A Gaffney, Chartered Accountant;

Ms CH Thompson, Barrister, Francis Burt Chambers;

Mr M Cocker, Retired State Public Servant;

Dr J Dudley, Senior Lecturer in Politics, Murdoch University; and

Mr M Curwood, Legal Practitioner, Curwood & Co.

The Committee normally meets on a monthly basis and in the 2010/2011 financial year, the Committee met on 10 occasions.

The Committee was able to complete five reviews resulting in the determinations listed in paragraph 1 below.

1. Determinations - 2010/2011 Financial Year

- (a) Legal Practitioners (State Administrative Tribunal) Determination 2010;
- (b) Legal Practitioners (Family Court of Western Australia) Determination 2010;
- (c) Legal Practitioners (Official Prosecutions) (Accused's Costs) Determination 2010;
- (d) Legal Practitioners (Solicitors Costs) Determination 2011; and
- (e) Legal Practitioners (Non Contentious Probate Costs) Determination 2011.

2. Determinations anticipated in 2011/2012 Financial Year

The Committee anticipates that it will complete reviews and make determinations in respect of the following during the next financial year:

- (a) Legal Practitioners (Supreme Court) (Contentious Business) Determination 2010;
- (b) Legal Practitioners (Supreme Court and District Court) (Criminal Jurisdictions) Determination 2010;
- (c) Legal Practitioners (District Court Appeals) (Contentious Business) Determination 2010;
- (d) Legal Practitioners (Magistrates Court) (Civil) Determination 2010;
- (e) Legal Practitioners (Magistrates Court) (Criminal) Determination 2010; and
- (f) Legal Practitioners (Public Notaries) Determination 2009.

3. Performance Measures

	2010/11				
OUTPUT	TARGET	ACTUAL	VARIANCE		
Quantity	4	5	1		
Quality	Not Assessed	Not Assessed	N/A		
Timeliness	In accordance with statutory requirements.				
Cost (Average cost per determination)	\$28,202	\$22,562	\$5,640		

4. Accounts and Performance Indicators

The annual accounts and performance indicators for the year ended 30 June 2011 are attached.

5. Report on Operations

The Legal Costs Committee does not employ staff nor does it have its own premises. The facilities used by the Legal Costs Committee comply with the requirements listed under the *Financial Management Act 2006* and are provided by either the Department of the Attorney General or the Department of the Premier and Cabinet.

6. General Comments

The Committee continues to work towards establishing as much consistency as possible between the scales of fees of a litigious nature and where possible, in the non-litigious scales also.

For the Financial Year 2010/2011, the Committee's deliberations in respect of the Determinations referred to in paragraph 1 were mainly of a consolidatory nature in that no significant issues or developments came to light which required any new methods of review on the Committee's part.

That noted, the Committee is aware that the Courts, legal practitioners, consumers of legal services and administrators are all conscious of the basis for the calculation of legal costs.

The Committee will, to the extent that its resources allow, continue to consider and if possible implement, alternative methods of cost calculation. The Committee is of the view that any changes from the current methods of calculation should only be

adopted after the most relevant research possible.

I would like to record the Committee's appreciation for the input provided to it by the Chief Justice of the Supreme Court of Western Australia, the President of the State Administrative Tribunal, the Chief Judge of the District Court, the Chief Judge of the Family Court of Western Australia, the Chief Magistrate, the Law Society of Western Australia, the Western Australian Bar Association, their employees and committees and other organizations including the Family Law Practitioners Association and the Criminal Lawyers Association of WA in respect of the Committee's reviews of the above scales.

Community responses to the Committee's calls for submissions when undertaking its reviews are consistently minimal.

As I have previously noted, the Committee's workload can vary in any one year for unforeseen reasons and as a consequence, the performance indicators should always be considered with that in mind.

7. Executive Assistance

The Committee acknowledges the valuable help and assistance provided during the year by Mr Brian Bennett of the Department of the Attorney General. Mr Bennett has offered the Committee, myself in particular, great assistance with the administration of the Committee and publication of our notices, reports and determinations.

I also wish to express the Committee's appreciation for the assistance provided to it by Mr Bennett's colleagues when he has been on leave.

The Committee continues to rely heavily on Mr Bennett and the willingness of its Members to implement all necessary administrative and drafting functions it is obliged to carry out.

INDEPENDENT AUDITOR'S REPORT

To the Parliament of Western Australia

LEGAL COSTS COMMITTEE

Report on the Financial Statements

I have audited the accounts and financial statements of the Legal Costs Committee.

The financial statements comprise the Statement of Financial Position as at 30 June 2011, the Statement of Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and Notes comprising a summary of significant accounting policies and other explanatory information.

Committee's Responsibility for the Financial Statements

The Committee is responsible for keeping proper accounts, and the preparation and fair presentation of the financial statements in accordance with Australian Accounting Standards and the Treasurer's Instructions, and for such internal control as the Committee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

As required by the Auditor General Act 2006, my responsibility is to express an opinion on the financial statements based on my audit. The audit was conducted in accordance with Australian Auditing Standards. Those Standards require compliance with relevant ethical requirements relating to audit engagements and that the audit be planned and performed to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Committee's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of accounting estimates made by the Committee, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements are based on proper accounts and present fairly, in all material respects, the financial position of the Legal Costs Committee at 30 June 2011 and its financial performance and cash flows for the year then ended. They are in accordance with Australian Accounting Standards and the Treasurer's Instructions.

Legal Costs Committee

Report on Controls

I have audited the controls exercised by the Legal Costs Committee. The Committee is responsible for ensuring that adequate control is maintained over the receipt, expenditure and investment of money, the acquisition and disposal of public and other property, and the incurring of liabilities in accordance with the Financial Management Act 2006 and the Treasurer's Instructions, and other relevant written law.

As required by the Auditor General Act 2006, my responsibility is to express an opinion on the controls exercised by the Committee based on my audit conducted in accordance with Australian Auditing Standards.

Opinion

In my opinion, the controls exercised by the Legal Costs Committee are sufficiently adequate to provide reasonable assurance that the receipt, expenditure and investment of money, the acquisition and disposal of property, and the incurring of liabilities have been in accordance with legislative provisions.

Report on the Key Performance Indicators

I have audited the key performance indicators of the Legal Costs Committee. The Committee is responsible for the preparation and fair presentation of the key performance indicators in accordance with the Financial Management Act 2006 and the Treasurer's Instructions.

As required by the Auditor General Act 2006, my responsibility is to express an opinion on the key performance indicators based on my audit conducted in accordance with Australian Auditing Standards.

Opinion

In my opinion, the key performance indicators of the Legal Costs Committee are relevant and appropriate to assist users to assess the Committee's performance and fairly represent indicated performance for the year ended 30 June 2011.

Independence

In conducting this audit, I have complied with the independence requirements of the Auditor General Act 2006 and the Australian Auditing Standards, and other relevant ethical requirements.

1 Australian Accounting Standards

General

The Legal Costs Committee's (the "Committee" for the purpose of these notes) financial statements for the year ended 30 June 2011 have been prepared in accordance with Australian Accounting Standards. The term 'Australian Accounting Standards' includes Standards and Interpretations issued by the Australian Accounting Standards Board (AASB). The Committee has adopted any applicable new and revised Australian Accounting Standards from their operative dates.

Early adoption of standards

The Committee cannot adopt an Australian Accounting Standard earlier than the commencement date unless specifically permitted by Treasurer's instructions [TI] 1101 'Application of Australian Accounting Standards and Other Pronouncements'. There has been no early adoption of Australian Accounting Standards that have been issued or amended [but not yet operative] by the Committee for the annual reporting period ended 30 June 2011.

2 Summary of significant accounting policies

(a) General statement

The financial statements constitute general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards, the Framework, Statements of Accounting Concepts and other authoritative pronouncements of the AASB as applied by the TI. Several of these are modified by the TI to vary application, disclosure, format and wording.

The *Financial Management Act* and the TI are legislative provisions governing the preparation of financial statements and take precedence over the Accounting Standards, the Framework, Statements of Accounting Concepts and other authoritative pronouncements of the AASB.

Where modification is required and has had a material or significant financial effect upon the reported results, details of that modification and the resulting financial effect are disclosed in the notes to the financial statements.

(b) Basis of preparation

The financial statements have been prepared on the accrual basis of accounting using the historical cost convention.

The accounting policies adopted in the preparation of the financial statements have been consistently applied throughout all periods presented unless otherwise stated. The financial statements are presented in Australian dollars and all values are rounded to the nearest dollar.

(c) Reporting entity

The reporting entity comprises the Committee and no other related bodies.

(d) Contributed Equity

AASB Interpretation 1038 Contributions by Owners Made to Wholly-Owned Public Sector Entities requires transfers in the nature of equity contributions, other than as a result of a restructure of administrative arrangements, to be designated by the Government (the owner) as contributions by owners (at the time of, or prior to transfer) before such transfers can be recognised as equity contributions. Capital appropriations have been designated as contributions by owners by TI 955 Contributions by Owners made to Wholly Owned Public Sector Entities and have been credited directly to Contributed Equity.

(e) Mission

The Committee's mission is to assist in keeping legislation up-to-date and relevant to the needs of society.

(f) Income

Revenue Recognition

Revenue is recognised and measured at the fair value of consideration received or receivable. The following specific recognition criteria must also be met before revenue is recognised for the mjor business activities as follows:

Grants, donations, gifts and other non-reciprocal contributions

Revenue is recognised at fair value when the Committee obtains control over the assets comprising the contributions, usually when cash is received.

Other non-reciprocal contributions that are not contributions by owners are recognised at their fair value. Contributions of services are only recognised when a fair value can be reliably determined and the services would be purchased if not donated.

(g) Financial instruments

In addition to cash, the Committee has two categories of financial instrument:

- · Receivables; and
- Payables

These have been disaggregated into the following classes:

Financial Assets

- · Cash and cash equivalents
- Receivables

Financial Liabilities

Payables

Initial recognition and measurement of financial instruments is at fair value which normally equates to the transaction cost or the face value. Subsequent measurement is at amortised cost using the effective interest method

The fair value of short-term receivables and payables is the transaction cost or the face value because there is no interest rate applicable and subsequent measurement is not required as the effect of discounting is not material.

(h) Cash and cash equivalents

For the purpose of the Statement of Cash Flows, cash and cash equivalent assets comprise cash on hand.

(i) Receivables

Receivables are recognised and carried at original invoice amount less an allowance for any uncollectible amounts (i.e. impairment). The collectability of receivables is reviewed on an ongoing basis and any receivables identified as uncollectible are written-off against the allowance account. The allowance for uncollectible amounts (doubtful debts) is raised when there is objective evidence that the Committee will not be able to collect the debts. The carrying amount is equivalent to fair value as it is due for settlement within 30 days.

(j) Payables

Payables are recognised when the Committee becomes obliged to make future payments as a result of a purchase of assets or services. The carrying amount is equivalent to fair value, as settlement is generally within 30 days.

(k) Superannuation expense

The superannuation expense in the Statement of Comprehensive Income comprises employer contributions paid to the GSS (concurrent contributions), the WSS, and the GESBS.

(I) Resources received free of charge or for nominal cost

Resources received free of charge or for nominal cost that can be reliably measured are recognised as income and as assets or expenses as appropriate, at fair value.

(m) Comparative figures

Comparative figures are, where appropriate, reclassified to be comparable with the figures presented in the current financial year.

3 Disclosure of changes in accounting policy and estimates

Initial application of an Australian Accounting Standard

The Committee has applied the following Australian Accounting Standards effective for annual reporting periods beginning on or after 1 July 2010 that impacted on the Committee.

2009-5

Further Amendments at Australian Accounting Standards arising from the Annual Improvements Project [AASB,58,101,107,117,118,136 &139].

Under amendments to AASB 117, the classification of land elements of all existing leases has been reassessed to determine whether they are in the nature of operating of finance leases. As leases of land and buildings recognised in the financial statements have not been found to significantly expose the Commission to the risks/rewards attributable to control of land, no changes to accounting estimates have been included in the Financial Statements and Notes to the Financial Statements.

Under amendments to AASB 107, only expenditures that result in a recognised asset are eligible for classification as investing activities in the Statement of Cash Flows. All investing cashflows recognised in the Commission's Statement of Cash Flows relate to increase in recognised assets.

Future impact of Australian Accounting Standards not yet operative

The Committee cannot adopt an Australian Accounting Standard earlier than the commencement date unless specifically permitted by TI 1101 'Application of Australian Accounting Standards and Other Pronouncements'. Consequently, the Committee has not applied early anyof the following Australian Accounting Standards that have been issued that may impact the Committee. Where applicable, the Committee plans to apply these Australian Accounting Standards and Interpretations from their application date.

Operative for Title reporting periods beginning on/after

1 January 2013

AASB 2009-11

Amendments to Australian Accounting Standards arising from AASB 9 [AASB 1, 3, 4, 5, 7, 101, 102, 108, 112, 118, 121, 127, 128, 131, 132, 136, 139, 1023 & 1038 and Interpretations 10 & 12].

The amendment to AASB 7 Financial Instruments: Disclosures requires modification to the disclosure of categories of financial assets. The Committee does not expect any financial impact when the Standard is first applied. The disclosure of categories of financial assets in the notes will change.

AASB 2009-12 1 January 2011

Amendments to Australian Accounting Standards [AASBs 5, 8, 108, 110, 112, 119, 133, 137, 139, 1023 & 1031 and Interpretations 2, 4, 16, 1039 & 1052].

This Standard introduces a number of terminology changes. There is no financial impact resulting from the application of this revised Standard.

AASB 1053 1 July 2013

Application of Tiers of Australian Accounting Standards

This Standard establishes a differential financial reporting framework consisting of two tiers of reporting requirements for preparing general purpose financial statements.

The Standard does not have any financial impact on the Committee. However it may affect disclosures in the financial statements of the Committee if the reduced disclosure requirements apply. Department of Treasury and Finance (DTF) has not yet determined the application or the potential impact of the new Standard for agencies.

AASB 2010-2 1 July 2013

Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements.

This Standard makes amendments to many Australian Accounting Standards, including Interpretations, to introduce reduced disclosure requirements into these pronouncements for application by certain types of entities.

The Standard is not expected to have any financial impact on the Committee. However this Standard may reduce some note disclosures in the financial statements of the Committee. DTF has not yet determined the application or the potential impact of the amendments to these Standards for agencies.

1 July 2011 AASB 2011-2

Amendments to Australian Accounting Standards arising from the Trans-Tasman Convergence Project- Reduced Disclosure Requirements [AASB 101 & 1054].

This Amending Standard removes disclosure requirements from other Standards and incorporates them in a single Standard to achieve convergence between Australian and New Zealand Accounting Standards for reduced disclosure reporting. DTF has not yet determined the application or the potential impact of the amendments to these standards for agencies.

AASB 2010-5 1 January 2011

Amendments to Australian Accounting Standards [AASB 1, 3, 4, 5, 101, 107, 112, 118, 119, 121, 132, 133, 134, 137, 139, 140, 1023 & 1038 and Interpretations 112, 115, 127, 132 & 1042] (October 2010).

This Standard introduces a number of terminology changes as well as minor presentation changes to the Notes to the Financial Statements. There is no financial impact resulting from the application of this revised Standard.

12 Explanatory statement

Significant variations between estimates and actual results for income and expense are shown below.

Significant variations are considered to be those greater than 5% or \$7,000.

Significant variances between estimate and actual result for the financial year:

There are no significant variances between the estimates and the actuals for 2010-11.

Significant variances between actual and prior year actual:

	Actual 2011 \$	Actual 2010 \$	Variance \$
Income			
Revenue	-	-	-
Expenses			
Other expenses	63,224	68,221	(4,997)
	63,224	68,221	(4,997)

Significant variances between actual

The reduction in other expenses is largely due to the reduction in advertising expenses between 2010 and 2011 as the timing of the publication of advertisements and the Committee's advertising policy was changed.

13 Financial instruments

(a) Financial risk management objectives and policies

Financial instruments held by the Committee are cash and cash equivalents, receivables, and payables. The Committee has limited exposure to financial risks. The Committee's overall risk management program focuses on managing the risks identified below.

Credit risk

Credit risk arises when there is the possibility of the Committee's receivables defaulting on their contractual obligations resulting in financial loss to the Committee.

The maximum exposure to credit risk at end of the reporting period in relation to each class of recognised financial assets is the gross carrying amount of those assets inclusive of any provisions for impairment, as shown in the table at Note 12(c) 'Financial Instruments Disclosures' and Note 7 'Receivables'.

The credit risk associated with the Committee's financial assets is minimal because the main receivable is the amounts receivable for services. The Committee trades only with recognised, creditworthy third parties. It has policies in place to ensure that sales of products and services are made to customers with an appropriate credit history. In addition, receivable balances are monitored on an ongoing basis with the result that the Committee's exposure to bad debts is minimal. At the end of the reporting period there were no significant concentrations of credit risk.

Liquidity risk

Liquidity risk arises when the Committee is unable to meet its financial obligations as they fall due. The Committee is exposed to liquidity risk through its trading in the normal course of business.

The Committee has appropriate procedures to manage cash flows by monitoring forecast cash flows to ensure that sufficient funds are available to meet its commitments.

Market risk

The Committee is not exposed to interest rate risk because cash and cash equivalents are non-interest bearing and it has no borrowings.

(b) Categories of financial instruments

In addition to cash and bank overdraft, the carrying amounts of each of the following categories of financial assets and financial liabilities at the balance sheet date are as follows:

	2011 \$	2010 \$
Financial assets	•	
Cash and cash equivalents	37,176	33,254
Loans and receivables (a)		
	37,176	33,254

	3,262	-

⁽a) The amount of receivables excludes GST recoverable from the Australian Taxation Office (statutory receivable).

(c) Financial instruments disclosure

Credit risk and interest rate exposures

The following table details the Committee's exposure to credit risk, interest rate exposures and the ageing analysis of financial assets. The Committee's maximum exposure to credit risk at the balance sheet date is the carrying amount of the financial assets as shown below. The table disclosures the ageing of financial assets that are past due but not impaired and impaired financial assets. The table is based on information provided to senior management of the Committee.

The Committee does not hold any collateral as security or other credit enhancements relating to the financial assets it holds.

The Committee does not hold any financial assets that had to have their terms renegotiated that would have otherwise resulted in them being past due or impaired.

⁽b) There was a financial liability for the financial year 2010-2011 which was an accrual expense.
