Why we did it

- Create a vision for an inclusive WA over 10 years

- Analyse community surveys
- Identify key themes
- Shape the values of the Strategy

- Explore major themes relevant to the Strategy (housing, health, rights and justice, transport, support services, employment education, and local community)

- Explore case studies
- Gather feedback on language and framing
- Provide updates on the Strategy
- Test the strategic priorities of the draft Strategy
- Understand external stakeholder environments, perceptions and priorities
- Understand previous process for, and outcomes of, consultations

- Define what can be done to bring the Strategy to life
- Identify short to medium-term strategic priorities
- Raise awareness of the Strategy and its content
- Target consultation on draft Strategy

- Target consultation on the strategic priorities for early action
