

ROAD SAFETY COUNCIL

Report on Activities 2018/19

In accordance with section 13 of the Road Safety Council Act 2002

The Hon Michelle Roberts BA DipEd MLA Minister for Road Safety

**Dear Minister** 

#### **Road Safety Council Annual Report on Activities 2018/19**

Pursuant to section 13 of the *Road Safety Council Act 2002*, the Road Safety Council submits its report on its activities for the financial year ending 30 June 2019.

Yours sincerely

Can in

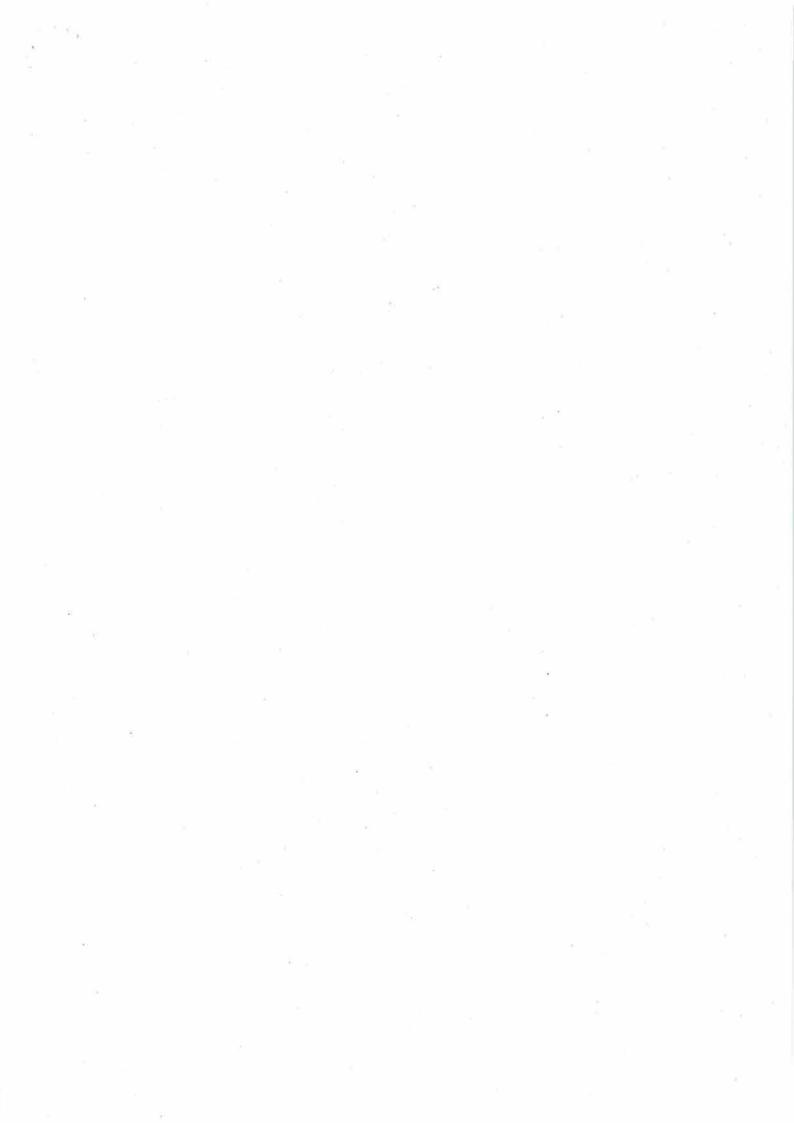

lain Cameron MPH, BPE, Dip Ed, FACRS, GAICD

Chairman

**Road Safety Council**

#### 1 Overview 2018/19

#### 1.1.1 Council Focus Areas

The Road Safety Council (Council) set the following priority areas for 2018/19 based on crash trends and in line with the State Road Safety Strategy *Towards Zero* to inform the use of Road Trauma Trust Account (RTTA) funds:

- Speed management;
- Impaired driving (alcohol and drug);
- Intersections;
- Run-off road crashes;
- Vulnerable road users; and
- Supporting implementation and results focus.

The Council supported a range of programs, projects, research, campaigns, grants and events related to these priorities.

#### 1.1.2 Road Safety Strategy – Towards Zero 2008 – 2020

*Towards Zero* is based on implementing a Safe System approach to road safety for Western Australian road users. With investments in road infrastructure, promotion of vehicle safety features, targeted enforcement and education for safe road use, better results are being achieved.

#### 1.1.3 New Draft Road Safety Strategy development

In June 2019, the Council commenced a process of community consultation to inform the State's next road safety strategy.

#### 1.1.4 Road Safety Outcomes

In 2018, 159 people lost their lives in crashes on WA roads. While this is the lowest number of road deaths recorded in a calendar year, there continues to be a noticeable difference between the number of deaths on metropolitan and regional roads. In the past five years, metropolitan deaths have declined by 24%, whereas the number of deaths on regional roads has declined by only 2%.

Compared to other States and territories, WA's rate of road deaths per 100,000 people was third last at the end of 2018 calendar year, behind only Tasmania and the Northern Territory. However, there has been a change in community attitudes and behaviour over the past decade that has led to a steady decline in the number of crashes involving a risk-taking behaviour, such as speeding, drink driving or not wearing a seatbelt.

In 2018, the number of people killed or seriously injured (KSI) in crashes where speed was a factor dropped by 24%; and the number of KSI cyclists not wearing a helmet dropped by 26% compared to 2017. There was also a 70% reduction in KSI motorcyclists, from 349 to 279.

#### 2 Road Safety Council Governance

The Council, established in 1997, is a statutory body under Section 4 of the <u>Road</u> <u>Safety Council Act 2002</u> (the Act). During 2018/19, the Council reported to the Hon Michelle Roberts BA DipEd MLA, Minister for Road Safety. Details of the Council's functions are provided under Section 5 of the Act.

#### 2.1 Membership of the Road Safety Council

The Council consists of:

- the Chairman;
- a road user representative;
- a representative of local government; and
- State Government agency appointees, as prescribed in the Act.

Name	Position / Organisation	Section of Act
Mr Iain Cameron	Chairman	6(1)(a)
Ms Anne Still <u>Deputy member:</u> Ms Jill Darby	Road user representative (RAC)	6(1)(b)
Cr Stephen Fox <u>Deputy member:</u> Ms Terri-Anne Pettet	Local government	6(1)(c)
Vacant	Road Safety Commission	6(1)(d)
Vacant	Department of Transport	6(1)(e)
Assist. Commissioner Paul Zanetti <u>Deputy member:</u> Cmdr Scott Higgins	WA Police Force	6(1)(f)
Mr Lindsay Hale <u>Deputy member:</u> Ms Catherine Shepherd	Department of Education	6(1)(g)
Dr Andrew Robertson <u>Deputy Member:</u> Dr Denise Sullivan	Department of Health	6(1)(h)

#### 2.1.1.1 Membership of the Road Safety Council 2018/19

Mr Doug Morgan <u>Deputy Member:</u> Mr David Moyses	Main Roads WA	6(1)(i)
Vacant	Department of Transport	6(1)(j)
Ms Cath Meaghan <u>Deputy Member:</u> Mr Damien Martin	Department of Planning, Lands and Heritage	6(1)(k)
Mr Rick Howe <u>Deputy Member:</u> Mr Kane Blackman	Insurance Commission of WA	6(1)(I)

Since the end of the reporting period, the following appointments were made to the Council:

Name	Position / Organisation	Section of Act	Date of appointment
Ms Joan Brierley	Department of Transport	6(1)(e)	16 September 2019
Mr Chris Davers (deputy member for Ms Joan Brierley)	Department of Transport	7	16 September 2019
Ms Michelle Prior	Department of Transport	6(1)(j)	16 September 2019
Ms Ann-Marie Brits (deputy member for Ms Michelle Prior)	Department of Transport	7	16 September 2019
Ms Kellie Properjohn	Department of Education	6(1)(g)	16 September 2019
Commander Mick Sutherland (deputy member for Asst Commission Paul Zanetti)	WA Police Force	7	16 September 2019
Terri-Anne Pettet (deputy member for Cr Stephen Fox)	WALGA	7	16 September 2019

6

#### 2.2 Conflicts of Interest

At each Council meeting, members and deputies are required to declare any conflicts of interest with items to be discussed on the agenda. Members and deputies with declared conflicts of interest were requested not to participate in discussions or decisions in relation to these matters.

In 2018/19, the following conflicts of interest were declared:

- The Chairman, Mr Iain Cameron, is the Managing Director at the Department of Transport, an Independent Director on the Board of the Australasian New Car Assessment Program (ANCAP) and a Trustee of the Towards Zero Foundation (UK registered charity). ANCAP receives funding from the RTTA.
- The Deputy member representing local government, Ms Terri Anne Pettet, is an Injury Matters Board Member. Injury Matters receives funding from the RTTA.
- Ms Anne Still and Ms Jill Darby representing road users in relation to funding of the South West Rescue Helicopter and the Kimberley Vehicle and Driver Project. RAC receive funding from the RTTA for these projects.
- Assistant Commissioner Paul Zanetti in relation to funding for the Infringement Management Office (IMO). The WA Police Force receives funding from the RTTA for the IMO.

#### 2.3 Meetings

The Council held meetings on the following dates during the 2018/19 financial year:

- 30 August 2018
- 11 October 2018
- 27 November 2018
- 22 January 2019
- 28 February 2019
- 11 April 2019
- 29 April 2019
- 27 June 2019

#### 2.4 Board and Committee Remuneration

Council members who are not Public Officers appointed under sections 6(1)(a)(b) and (c) of the Act, including the Chairman, road user representative and the local government representative and their deputies, are entitled to receive \$330 per meeting, which is less than four hours or \$505 for a meeting longer than four hours.

Eligible members are also entitled to motor vehicle allowances based on a cents-perkilometre basis, in accordance with Australian Taxation Office guidelines. However, none of the eligible Council members sought or received remuneration for meeting attendance or travel reimbursement during 2018/19.

#### 2.5 Ministerial Directives

During the 2018/19 financial year, no Ministerial directives were issued to the Council under section 6A of the Act.

7

## 3 Road Trauma Trust Account

## Road Trauma Trust Account 2018/19

Revenue Breakdown by Source		Actual
Infringement Revenue - Department of Transport (Transport)		76,526,421
nfringement Revenue - Department of Justice		18,687,210
nterest Revenue - Road Trauma Trust Account		1,515,664
Miscellaneous Revenue		433,50
Total		
Expenditure Breakdown by Program / Projects	Agency	Actual
Intersections	1.80.001	4,081,373

#### 4 Measures to improve road safety

#### **Priority Areas**

In 2018/19, the Council supported a range of programs, projects, research, campaigns, grants and events for the established priorities to reduce death and serious injury on WA roads, under the Priority Areas as outlined below.

#### 4.1 Intersection Safety

#### 4.1.1 Metropolitan Intersection Program (Main Roads WA)

This program aims to improve the safety of metropolitan road users by targeting high risk intersections with road safety improvements that are not eligible for improvements from other funding sources.

Projects undertaken in 2018/19 included:

- · Remediation works completed to intersections at:
  - Toodyay Road and Stoneville / Reen Roads; and
    - Toodyay Road and Roland / O'Brien Roads.
- Service relocations at Wanneroo Road / Green Street / Walcott Street.
- Design and pre-construction projects of intersections at:
  - o Great Northern Highway / Rutland Road;
  - o Ennis Avenue / Royal Palm Drive;
  - Stock Road / Beeliar Drive;
  - o Guildford Road / Garratt Road;
  - o Armadale Road / Eight Road.
- Concept design for projects at:
  - Albany Highway / Burslem Drive;
  - o Patterson Road / Ennis Avenue;
  - McDowell Street / Orrong Road;
  - o Marmion Avenue / Ocean Reef Road;
  - o Guildford Road / Collier Road; and
  - o Karrinyup-Morley Highway / Karrinyup Road.

#### 4.1.2 Rural Intersection Advanced Warning Signs (Main Roads WA)

RTTA funding was allocated in 2018/19 to begin the delivery of a Rural Intersection Advanced Warning Signs trial. These signs will deploy a temporary 30km/h speed reduction at rural intersections that have experienced a high number of killed or serious injury crashes relative to the amount of traffic and will operate where vehicles are detected approaching on both roads to warn drivers and reduce the risk of a crash.

#### 4.2 Run-off Road Crashes

#### 4.2.1 Indian Ocean Drive Safety Review (Main Roads WA)

This program is part of the ongoing commitment to provide road safety improvements following the 2017 Highway Safety Review on Indian Ocean Drive. Progress in 2018/19 included:

- Between Yanchep and Neergabby, Gingin Intersection construction and roadside hazard removal completed.
- Breton Bay, Gingin to Karakin, Gingin Completed widening between overtaking lanes.

#### 4.2.2 Regional Run-off Road Crashes Safety Program (Main Roads WA)

The Regional Run-off Road Crashes Safety Program delivers road safety treatments including audible edge lines, wider (600mm) centre line, road safety barriers and shoulder widening on high-risk regional and remote WA roads. This program aims to reduce the rate at which people are killed or seriously injured in road crashes due to cars leaving the road.

In 2018/19, Main Roads WA commenced and completed construction on several projects at the following locations:

- South Western Highway (Ordnance Road to Walpole; Waroona to Yarloop; Wokalup to Brunswick)
- South Western Highway (Waroona to Yarloop)
- South Western Highway (Wokalup to Brunswick)
- Great Northern Highway (Reedy Cue to Meekatharra);
- Great Northern Highway (North of Duncan Road to North of Sophie Downs N Road, Halls Creek).

#### 4.2.3 Other Road Safety Projects (Main Roads WA)

- Toodyay Road in the Wheatbelt Region, and
- Great Eastern Highway between Walgoolan and Southern Cross.

#### 4.3 Impaired Driving (Alcohol and Drug)

4.3.1 Increased Impaired Driving Detection (Alcohol and Drug Testing) Program (WA Police Force)

This program supports additional capacity in the WA Police Force to conduct additional roadside alcohol and other drug testing in metropolitan and regional areas to achieve higher levels of safety, provide training of officers and enable blood testing of drivers involved in crashes.

During 2018/19, the WA Police Force conducted:

- 571,511 roadside random breath tests;
- 31,951 roadside drug tests; and
- 436 crash blood tests.

#### 4.3.2 Alcohol Interlocks (Mental Health Commission)

The WA Alcohol Interlock Scheme (AIS) aims to reduce the road safety risk posed by serious repeat drink drivers by fitting a breathalyzer and locking device to their vehicle. The Mental Health Commission delivers a complementary Alcohol Assessment and Treatment program as part of the AIS. 1,116 treatment sessions were delivered in 2018/19.

#### 4.4 Speed Management

#### 4.4.1 Enhanced Speed Enforcement Administration Costs (WA Police Force / Transport)

The Department of Transport and the WA Police Force manage the ongoing administrative functions related to traffic infringement processing in WA. This incorporates the administrative aspects of the collection and distribution of fines to the RTTA paid by citizens for speed and red-light camera infringements.

#### 4.4.2 Automated Speed Camera Enhancement Project (WA Police Force)

Automated Traffic Enforcement aims to achieve a reduction in road trauma. It has a deterrent effect on driver behaviour, reducing speeding which in turn results in fewer people being killed or seriously injured.

This project implemented an additional five red-light speed cameras in WA at the following locations:

- Welshpool Orrong Road & McDowell Street;
- Middle Swan Reid Highway and Great Northern Highway
- Mirrabooka Alexander Drive and Beach Road;
- Joondalup Joondalup Drive and Hodges Drive; and
- Myaree Leach Highway and North Lake Road.

#### 4.4.3 Speed Camera Replacements (WA Police Force)

This program undertakes the procurement and replacement of assets for the existing camera fleet.

#### 4.4.4 Electronic School Zone Sign Project (Main Roads WA)

This program replaces Electronic School Zone Signs and upgrades communication technology when required.

#### 4.4.5 Speed Monitoring Project (Main Roads WA)

This project funds the state-wide speed monitoring surveys that have been conducted since 2000, measuring vehicle speeds and speed limit compliance. Overall speed compliance in metropolitan WA was 69.5%, and 72.1% in regional WA, which are the highest reported levels of compliance.

#### 4.4.6 Automatic Number Plate Recognition Technology (Main Roads WA)

Automatic Number Plate Recognition Technology enhances the WA Police Force ability to identify unlicensed drivers and vehicles, and remove them from WA roads.

#### 4.5 Vulnerable Road Users

#### 4.5.1 School Drug Education Road Aware Program (Department of Education)

The School Drug Education Road Aware Program (SDERA) promotes a shared responsibility for road safety within school communities in WA. SDERA delivers road safety programs through age appropriate programs that include students, educators and parents.

#### 4.5.2 Data Linkage and Analysis (Department of Health)

This project creates and maintains linkages between key datasets to provide a more complete understanding of road crashes and injuries, and funds the linkage of road safety datasets into the existing WA data linkage systems. This project contributes to the Safe System Foundations of *Towards Zero* by providing stakeholders with the following benefits:

- a comprehensive picture of the burden of trauma, particularly road trauma;
- an ability to support pro-active injury prevention programmes and research initiatives for the community of WA; and
- assist the Government and other road safety agencies in meeting commitments pledged to the community, stakeholders and the national agenda.

Data is also used extensively for monitoring the WA Trauma System, from the time of injury through to discharge and/or rehabilitation. Trauma Registry data can be used to analyse various trauma patient cohorts, e.g. severe injury and deaths on WA roads relation to speeding or safety device compliance.

# 4.5.3 Preventing Alcohol and Risk Related Trauma in Youth (PARTY) Program (Department of Health)

The Royal Perth Hospital coordinates the PARTY Program across the State, which aims to promote injury prevention through reality education, enabling participants to recognise risks, make informed choices, and learn about potential traumatic consequences.

#### 4.5.4 Road Trauma Support Services (Injury Matters)

Road Trauma Support WA (RTSWA) aims to reduce the ongoing psychological and social distress for people affected by road trauma in WA. RTSWA provides specialised trauma and bereavement counselling to those affected by road trauma, information and support, community engagement, and education and training.

#### 4.5.5 RoadWise Community Road Safety Program (WALGA)

RoadWise is a state-wide network of road safety advisors, in conjunction with the Road Safety Commission, that supports 67 RoadWise or local road safety committees to build community capacity for the planning and coordinated delivery of local and regional road safety activities.

#### **5** Supporting Implementation and Results Focus

#### 5.1 Road Safety Commission

The operating costs of the Road Safety Commission are funded through the RTTA. As an administrative unit within the WA Police Force organisational structure, the Road Safety Commission, reports to Parliament through the Annual Report of the WA Police Force.

Separate funding is also allocated from the RTTA to the Road Safety Commission to undertake community education campaigns and to administer the Road Safety Community Grants Program.

#### 5.2 Community Education Campaigns

The Road Safety Commission educates the community on road safety matters through mass media and different platforms, including television and radio commercials, billboards and bus backs, digital, online and print media.

A full list of published road safety campaigns for 2018/19 can be found at **Appendix 1.** 

#### 5.3 Community Grants

The Road Safety Community Grant Program supports the development and implementation of a range of community led local projects and events related to road safety.

A full list of approved community grants for 2018/19 can be found at **Appendix 2**.

#### 6 Future Focus

#### 6.1 New Draft Road Safety Strategy development

In 2018/19, the Council commenced preparations for the new road safety strategy to replace the *Towards Zero* strategy, which concludes in 2020. *Towards Zero* has achieved a 31% reduction in the number of people killed or seriously injured in WA since the baseline of 2005-2007. At the request of the Minister, the Council is leading the development of the next road safety strategy beyond 2020, for consideration by the State Government.

#### Road Safety Education Campaigns 2018/19

#### **NEW CAMPAIGNS**

• We're Watching You: General Enforcement of Speed, Drink Driving, Mobile Phone use and seatbelts.

• The Serious Sale motorcycle safety (three videos, Digital only): Addressed motorcycle safety features, riding to the conditions and rider protective gear.

Zero Excuses (In Memoriam) – Seven West Media (Integrated Media Partnership): Highlighted the message that there
are no excuses for risky behaviour while driving, and showed the extent of road trauma on the families left behind when
someone is killed in a road crash

Not on my road: Nine Perth (Integrated Media Campaign): Supported the message that risky driving behaviours effect
other road users on the road.

• Physics of Speed stopping distance game: (Digital only and on the Commission website)

• Streets Ahead road rules – Introduced into the West Australian (press and online): Regular fortnightly series to remind the community on the most asked about road rules and relevant road craft issues.

 Impaired driving - Prescription drugs: A targeted campaign at pharmacies and selected GP clinics, reminding people of the dangers associated with some prescription medicines and driving.

#### EXISTING CAMPAIGNS

- Closer to Home: Asks the community 'how many people they think should die on the roads each year', in a manner to encourage support to aim for zero deaths on our roads.
- Don't text and drive: Highlights how far you travel when your eyes are off the road (driving blind)
- Cyclist safety (Digital only): Reminder of the legislation for minimum passing distance and some cyclist rules
- Don't trust your tired self: Address the fatigue issue while driving
- ANCAP Safe Vehicles promoting to look for the star rating when buying a new or used vehicle.
- · Robo-Man Safe Vehicles Promoting safety features of vehicles for first car buyers.
