

The State Disability Strategy is a plan with a list of ideas to make life better for people with disability. This plan is for everyone in WA. We can all help make life better for people with disability and the people in their lives.

Participate and contribute

What it is about – everyone is involved

What it means – “I participate, contribute and make choices about how I lead my life”

Priority areas:

- 1 Inclusive education and training settings
- 2 Jobs and economic participation
- 3 Leadership
- 4 People with high and complex needs

Inclusive communities

What it is about – places and attitudes are welcoming

What it means – “I feel welcome, included and part of my community”

Priority areas:

- 1 Access and inclusion planning
- 2 Infrastructure
- 3 Transport
- 4 Sport and recreation
- 5 Community attitudes
- 6 Technology

Strategy vision

“People with disability, and those who share their lives, are engaged and feel empowered to live as they choose in a community where everyone belongs.”

Living well

What it is about – people are happy and healthy, with the support they need

What it means – “I have access to housing and services that support me to live well”

Priority areas:

- 1 Housing
- 2 Disability services
- 3 Health and mental health
- 4 Workforce capacity and capability

Rights and equity

What it is about – everyone is treated fairly

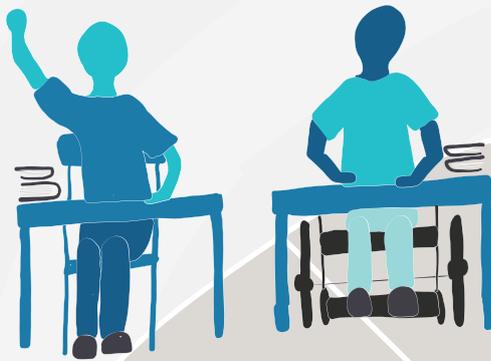

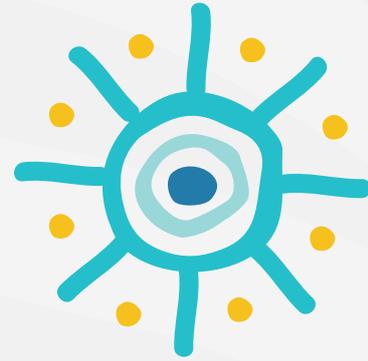

What it means – “I am treated fairly and with dignity and respect, and my rights are upheld”

Priority areas:

- 1 Justice
- 2 Advocacy
- 3 Legislation and safety
- 4 Information

Family and friends

We would like our children to go to the same mainstream school and receive the same education.

We want our children to have the same opportunities; to be whatever they want and be happy.

We'd like to go on holidays, it would be great to go camping as a family.

Living Well

We would like to be able to hang out with our friends and enjoy each other's company.
