

Application for Secondary Carrier Profile in Controlled Waste Tracking System (CWTS)

Environmental Protection (Controlled Waste) Regulations 2004

FORM CW16

The Department of Water and Environmental Regulation (the Department) regulates the transportation of controlled wastes.

The [Environmental Protection \(Controlled Waste\) Regulations 2004](#) (the Regulations) provide for the licensing of carriers, drivers, and vehicles involved in the transportation of controlled waste on roads in Western Australia (WA).

Retain a copy of this form for your records.

Allow 30 days for the Department to process complete application forms.

If there is insufficient room on any part of this application form, continue on a separate sheet of paper and attach to this application form, numbering ALL pages.

Incomplete or illegible applications will not be processed. If you are unsure about completing any part of this application, please contact Controlled Waste on +61 8 6364 6946.
