

Government of Western Australia
Department of Water and Environmental Regulation

GONE

Single use
plastics.

Choose good, better, or best to landfill less.

GOOD

Compostable
alternatives.

BETTER

Reusable bags.

BEST

Robust bags,
backpacks or
caddies.

WA IS PHASING OUT MANY SINGLE-USE PLASTICS.

All retailers must now provide alternatives to plastic bags (not just supermarkets). You can choose compostable or reusable bags for shopping. Or bring a backpack or market caddy.

Our small changes will make a big difference to reducing plastic waste.
