Adult Offenders Managed in the Community Quarterly Statistics

June Quarter 2015

To protect, to rehabilitate and to serve

Quarterly Statistics

June Quarter 2015

Quarterly Statistics reports numbers of adults and young people who are in the care of the Department, either in custody or in the community, on a quarterly basis.

The statistics provided in this report are snapshot data current at midnight (12.00 am) on the last day of each quarter, comparison data for the same quarter of the previous year and the percentage increase or decrease on that data.

It also includes trend information for each quarter for the previous 5 years. A glossary of definitions is at the end of each report.

The statistics are accurate as at the time the data is extracted from the systems. The data systems are dynamic and are constantly being updated and data integrity improved. For this reason data may change slightly from month to month or quarter to quarter.

Adult Offenders Managed in the Community

The Department operates 27 adult community corrections centres (eight metropolitan and 19 regional) in WA.
