

Adult Offenders Managed in the Community Quarterly Statistics

December Quarter 2016

Quarterly Statistics

December Quarter 2016

Quarterly Statistics reports numbers of adults and young people who are in the care of the Department, either in custody or in the community, on a quarterly basis.

The statistics provided in this report are snapshot data current at midnight (12.00 am) on the last day of each quarter, comparison data for the same quarter of the previous year and the percentage increase or decrease on that data.

It also includes trend information for each quarter for the previous 5 years. A glossary of definitions is at the end of each report.

The statistics are accurate as at the time the data is extracted from the systems. The data systems are dynamic and are constantly being updated and data integrity improved. For this reason data may change slightly from month to month or quarter to quarter.

Adult Offenders Managed in the Community

The Department operates 27 adult community corrections centres (eight metropolitan and 19 regional) in WA.

** Note: Totals may not tally to Distinct Offenders Total as an offender maybe sentenced with multiple orders across different most serious offence categories.

⁴ Offences are classified on the basis of 'Australian and New Zealand Standard Offence Classification (ANZSOC). "Other offences" include miscellaneous offences and offences that could not be classified because either no offence data was provided or insufficient offence data was provided.
