

Pastoral Lands Board

End of year update – December 2023

Land and Public Works Legislation Amendment Act:

- [Announced 10 August 2023](#) - delivers a range of benefits, including increased opportunities and greater security for the pastoral industry

Amendments to the Land Administration Act:

- General [FAQs](#)
- Streamlining land tenure approvals and projects
- [Diversification Lease](#) - new form of tenure:
 - non-exclusive - coexists with mining & native title rights
 - multiple uses - eg grazing + tourism + carbon farming
 - multiple subleases - eg for grazing/tourism

Changes affecting [Pastoral Leases](#) include:

- Extending pastoral leases to 50 years
- Agisting livestock without requiring approval from PLB
- Transferring pastoral permits
- Ability for the PLB to amend, renew, suspend, or cancel permits
- Change of Annual Return date
- Granting rent relief to all, or classes of, pastoral leases without applying

Pastoral Rent Review:

- Pastoral Rent determination letters to be issued shortly
- Comment on the [Landgate methodology review paper](#) until 31 March 2024

PLB Policies under development:

- Cultivating non-native plant species
- Rangeland Monitoring - land condition standards/no self-monitoring
- Clearing native vegetation
- (De)stocking

[View all PLB policies, guidelines, strategic documents, communiques and information here](#)
